**Voting Requirement:** This agenda is for acknowledgement and voting is not required.

**Agenda 2 To consider and approve the financial statements for the year ended 31 December 2020**

**Facts and Rationale:** Section 112 of the Public Limited Companies Act B.E. 2535 states that "The Board of Directors shall prepare the statement of financial position and income statement as at the last day of the Company's accounting period to be proposed to the Annual General Meeting of shareholders for consideration and approval." and Article 36 (2) of the Company's Articles of Association states that the Annual General Meeting

of shareholders shall “consider and approve the statement of financial position and statement of comprehensive income”. Details on the Company’s operating results appear in the 2020 Annual Report in QR Code format accompanying this meeting invitation.

**Voting Requirement:** This agenda requires the approval of the meeting by a majority vote of shareholders attending and possessing voting rights.

**Agenda 3 To consider and approve an appropriate profit allocation and dividend payment for business performance year 2020**

**Facts and Rationale:** The Company’s dividend payment policy states that the Company shall pay dividends of no less than 40% of net profit from separate financial statements of the Company after deduction of corporate income tax and statutory reserve. However, such dividend payment shall not pose significant impact on the Company’s normal business operations. Section 115 of the Public Limited Companies Act B.E. 2535 and

Article 44 of the Company’s Articles of Association states that “Dividends shall be paid within (1) month from the date of the shareholders’ meeting or Board of Directors’ Meeting resolution, as may be the case, and written notice shall be sent to shareholders as well as advertised in newspapers regarding such dividend payment for a period of at least (3) consecutive days.” Moreover, Section 116 of the Public Limited Companies Act B.E. 2535 and Article 45 of the Company’s Articles of Association states that “The Company shall appropriate no less than 5% of its net profit for the year deducted by accumulated losses (if any) as legal reserve until the amount of legal reserve is no less than 10% of registered capital.”

The Company’s total comprehensive income from its separate financial statements amounted to THB 32.06 million for the year 2020, with no accumulated losses. As such, the Board of Directors deemed it appropriate to consider the payment of dividends to shareholders at THB 0.0375 per share, totaling THB 30.00 million (before the deduction of withholding tax), equivalent to 93.58% of net profit and retained earnings from separate financial statements which is consistent with the Company policy. The Board of Directors’ Meeting No. 2/64 held on 23<sup>th</sup> February 2021 approved such Interim dividend payment from the Company’s retain earnings and operating results from 1 January 2020 – 31 December 2020.

The Company has appropriated THB 1,610,000 of net profit from operating results for the year 2020 as legal reserve, reflecting a portion of no less than 5%.

**Comparing dividend payment**

<b>Dividend payment</b>	<b><u>2020</u> proposed</b>	<b><u>2019</u> Interim dividend</b>
1. Net profit from specific financial statements (Baht)	30,489,195	21,962,289
2. Number of shares (shares)	800,000,236	800,000,000
3. Total dividend payment per share (Baht / share)	0.0375	0.0274
4. Total dividend payment (Baht)	30,000,000	21,920,000
5. Proportion of dividend payment compared to net profit each year (percent)	98.40	99.81

**Opinion of the Board:** The Board agreed to propose the Annual General Meeting of Shareholders to approve the dividend at THB 0.0375 per share, totaling THB 30.00 million (before the deduction of withholding tax), to shareholders who has recorded date on 18 March 2021 and dividend will be paid on Tuesday 25 May 2021.

**Voting Requirement:** This agenda requires the approval of the meeting by a majority vote of shareholders attending and possessing voting rights.

**Agenda 4      To consider and approve the appointment of directors in replacement of those due to retire by rotation**

**Facts and Rationale:** The Public Limited Companies Act B.E. 2535 and Article 15 of the Company’s Articles of Association states that “In the Annual General Meeting held each year, one-third (1/3) of directors shall vacate position. If the number of directors is not a multiple of (3), the number of directors closest to one-third shall vacate position. In the first and second year after registration of the Company, directors who will vacate

position shall be determined by drawing lots, with directors holding the longest duration in position to vacate position in subsequent years. Directors vacating position may be reelected for position.” In addition, Article 36 (4) of the Company’s Articles of Association states that the Annual General Meeting of shareholders shall “consider the appointment of directors in replacement of those due to retire by rotation”. In the 2019 Annual General Meeting, 3 directors due to retire are as follows.
